

National Youth Leadership Training is being offered in Minsi Trails for all BSA Scouts and Venturers

Integrating the best of modern leadership theory and the traditional Scouting experience, NYLT participants will be engaged through activities, presentations, challenges, and discussions to provide a unified approach to leadership. Through a wide variety of activities, events, games, and adventures, participants will work and play together to put into action the best that Scouting has to offer. NYLT provides the skills and confidence for participants to lead well and utilize a "toolbox" of skills in Scouting and beyond.

Scoutmasters **Kelli Webb** and **Rich Kloss** will be overseeing two troops led by our enthusiastic youth staff.
