2. The Scoutmaster/Crew Advisor is also requested to join the training course for a **lunch feast** at NYLT on **Sunday April 26, 2020 at noon** at the Akelaland Camp Dining Hall, to discuss with their youth leaders (during lunch) the NYLT experience and how it can help their unit and to support their youth leaders. There is a nominal cost for non-attendees; the cost is included for participants. A closing program and graduation follows lunch.

3. Each youth leader is expected to apply the skills he/she has learned in his/her home Unit. Each Scoutmaster/Crew Advisor is encouraged to learn what the youth have learned and support them as they put into practice the leadership skills.

Why NYLT?

An integral part of BSA's Youth Leadership Training Continuum, NYLT is the next step after Introduction to Leadership Skills for Troops/Crews (ILST/C). The Minsi Trails Council will be sponsoring a two Troop course in 2020 to provide additional opportunities for the Scoutmasters and Crew Advisors to train your youth leaders. The National Youth Leadership Training (NYLT) course supports

Scoutmasters and Crew Advisors in their primary responsibility of training youth leaders. The Minsi Trails Council will offer the two weekend course in April 2020.

Built on the legacy of past youth leader training courses, NYLT integrates the best of modern leadership theory with the traditional strengths of a Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that gives them the skills and confidence to lead well. Through a wide range of activities, events, games, and adventures, NYLT participants will work and play together as they put into action the best that Scouting has to offer.

The course is set up to represent a month in the life of a Unit. Patrols experience the stages of team development. Participants discover that leadership requires vision, goals, and planning. Participants are provided a "toolbox" of leadership skills.

The National Youth Leadership Training is a classroom and outdoor experience for youth leaders in support of the Scoutmaster's and Crew Advisor's responsibility for the training of their youth leaders. It is conducted by the council leadership training committee using an outline approved by the Boy Scouts of America.

Training Youth Leaders

"Training boy leaders to run their troop is the Scoutmaster's most important job."

"Train Scouts to do a job, then let them do it."

"Never do anything a boy can do."
